**TO WHOM IT MAY CONCERN**

After our first cross country trip with the Hot Rod Magazine Power Tour 2000, Faye and I were definitely seeking an anti-theft device that we could depend on to protect our "one of a kind" promotional vehicle.

The Power Tour was much more enjoyable not having to worry about the Cruiser being stolen in the middle of the night from some hotel parking lot.

POWERLOCK works great and dealing with the folks from POWERLOCK has been a very positive experience.

We highly recommend the POWERLOCK to all of our customers and friends.
